DIS-2 HARNESS to DODGE/MITSUBISHI COIL PACKS PN 8883

Important: Review the DIS-2 instructions before attempting this installation.

The MSD PN 8883 Harness will allow you to install a DIS-2 ignition control to a Dodge/Mitsubishi coil pack for a splice-free installation (Figure 1).

INSTALLATION

- 1. Disconnect the factory harness connector from the coil pack.
- 2. Connect the factory connector to the MSD harness.
- 3. Connect the opposite side of the MSD harness to the coil pack.
- 4. Crimp the bare end of the wires from the DIS-2 Harness into the butt connectors on the Harness. **Do not over-crimp the wires!**
- 5. Heat sensitive connectors are used so be sure to apply enough heat to properly shrink the connector over the wire.

TECH NOTES				

Service

In case of malfunction, this MSD component will be repaired free of charge according to the terms of the warranty. When returning MSD components for service, Proof of Purchase must be supplied for warranty verification. After the warranty period has expired, repair service is charged based on a minimum and maximum charge.

All returns must have a Return Material Authorization (RMA) number issued to them before being returned. To obtain an RMA number please contact MSD Customer Service at (915) 855-7123 or fax a request to (915) 857-3344. Send the unit prepaid with proof of purchase to the attention of: MSD Ignition, Customer Service - RMA #, 12120 Esther Lama, Dock 5, El Paso, Texas 79936.

When returning the unit for repair, leave all wires at the length in which you have them installed. Be sure to include a detailed account of any problems experienced, and what components and accessories are installed on the vehicle.

The repaired unit will be returned as soon as possible after receipt, COD for any charges. (Ground shipping is covered by warranty). All units are returned regular UPS unless otherwise noted. For more information, call the MSD Customer Service Line (915) 855-7123. MSD technicians are available from 7:00 a.m. to 6:00 p.m. Monday - Friday (mountain time).

Limited Warranty

MSD IGNITION warrants MSD Ignition products to be free from defects in material and workmanship under normal use and if properly installed for a period of one year from date of purchase. If found to be defective as mentioned above, it will be replaced or repaired if returned prepaid along with proof of date of purchase. This shall constitute the sole remedy of the purchaser and the sole liability of MSD Ignition. To the extent permitted by law, the foregoing is exclusive and in lieu of all other warranties or representations whether expressed or implied, including any implied warranty of merchantability or fitness. In no event shall MSD Ignition be liable for special or consequential damages.
