

**MATING CONNECTORS AND PINS
MSD PART NUMBERS**

Connector - P/N CON 23406
(COMES WITH SEAL AND GASKET)
Pin - P/N CON 23405 (USE 18 GA. WIRE)

ASY 24102

SOURCE THROUGH: POWER and SIGNAL GROUP

Connector - P/N 12162182
Pin - P/N 12124075

CRIMP TOOL: we use a crimp machine at MSD. Perhaps Power and Signal Group can help source the correct hand crimp tool for this application. A PACKARD ELECTRIC crimp tool P/N 12039500 will work, but it is not the best crimp.
